

Official Announcement

Faculty of Architecture and Planning, Thammasat University

No. 68 /2022

Title: The List of Fast Track Undergraduate Scholarship Successful Candidates for the
Bachelor of Science in Design, Business and Technology Management (3.5 years)
Academic Year 2022
.....

According to the announcement of the Faculty of Architecture and Planning, Thammasat University, No. 42/2022, titled: The Fast Track Undergraduate Scholarship for International Students (3 and a half years) announced on April 11th, 2022, the selection process by the committee of Design, Business and Technology Management Program is now completed. The successful candidate to receive the full-scholarships is named as follow:

1) Mr. Reaksa Panya

Students receiving the scholarship shall be compliant with the following regulations.

1. Students must have accumulated grade point average (GPAX) not lower than 2.75, and must not have any "U", "F", or "W" in the official transcript. Any scholarship students with lower than 2.75 GPAX in any semester shall be suspended from receiving the scholarship in the following semester.
2. The scholarships cover only the tuition fees. Scholarship students are not allowed to register more than the credits required by the program.
3. Scholarship students are obligated to contribute to any activities held by the office of Design, Business and Technology Management Program at least 24 collective hours per semester.
4. Scholarship students have to observe disciplinary rules. In case that scholarship students are considered punished due to the violation of any rules, the status of scholarship students is to be revoked and all paid fee must be fully reimbursed to the office of Design, Business and Technology Management Program within 30 days.
5. In case that there is any withdrawal from any courses, the paid fee has to be reimbursed within 30 days as well.
6. Decisions regarding the violation of any aforementioned clauses have to be reached by the Director of the Design, Business and Technology Management Program. The Director's decision is considered final.

Announced on June 7, 2022
